

John Henry Foster

JHF Knows

Tools and Tool Repair

Why choose John Henry Foster for your Tool needs? Since 1944, we have been solving problems better than anyone else in the industry; offering an easier way of doing business, more expertise and a personalized experience for every customer. As an employee-owned company, everyone at JHF is dedicated to helping you with your next project.

Trust John Henry Foster for everything from tools, accessories and parts to advanced assembly equipment and ergonomic lifting. JHF is one of the only distributors that offers the engineered solutions for assembly and production environments, including both pneumatic & hydraulic drill stations.

Focused Product Line, Fine-tuned Performance.

Because of their leadership in the marketplace, we focus on Ingersoll Rand for precision assembly tools. The QX tool line and QX high torque are at the top of the class. We expand our breadth of product capabilities with Sioux air tools and round out our tool product line with Dynabrade for surface preparation applications.

Product Lines	Focus Area
Ingersoll Rand	Precision Assembly, Pneumatic, Electric, Cordless Assembly and Industrial Tool, Air Hoists
Sioux	Industrial tool focused on Drilling and screwdrivers
Dynabrade	Surface preparation and dust collection
Makita	Cordless Assembly and MRO tooling
3M	Abrasives and surface preparation tools
Ergonomic Partners	Custom lifting devices
Tri-State Equipment	Bridge Cranes

JHF Knows Tools and Tool Repair

Authorized Warranty Tool Repair

At John Henry Foster, we fix it all. We invest in state-of-the-art machinery and technology to support your business. JHF is an authorized repair center for all the brands that we carry. In addition, we are a warranty repair center for Sioux and Ingersoll Rand brands. Ship it to us free and we'll take care of it. In 5 days or less, John Henry Foster can repair the most popular Ingersoll Rand tools that are out in the field today. Certain Ingersoll Rand tools as well as other brands can be turned around in 10 days or less.* Not only can JHF repair the tool lines we carry, we can also repair other brands and models. We also offer comparable loaner tools for jobs that take longer than 5 days.** Get any of these types of tools fixed right, the first time with John Henry Foster.
