

Air Compressor Service Technicians

We are looking for highly motivated, career-minded **Air Compressor Service Technicians** to join our growing team!

Technicians perform duties to service, repair and install air compressors, air dryers and related electrical components

JHF ensures its technicians are well equipped – you will be provided a company van, uniforms, and all the tools needed to do the job! In fact, JHF technicians travel directly to their first call from home each morning.

Company provided training will be completed at our St. Louis location (training will be during first 6 months).

Requirements

- Certificate or Associate Degree in HVAC, Industrial Maintenance, Automotive Maintenance, or Electrical Automation Technology
- Appropriate refrigeration certifications and skills are preferred
- Must be able to work independently, and have good customer communication skills
- Clean driving record
