

Air Compressor Service Technician

We are looking for a highly motivated, career-minded **Air Compressor Service Technician** to join our team in the St. Louis / St. Charles area!

As a technician you will service, repair and install air compressors, air dryers and related electrical components for our customers.

JHF ensures its technicians are well equipped – you will be provided a company van, uniforms, and all the tools needed to do the job! In fact, JHF technicians travel directly to their first call from home each morning.

Requirements

- Certificate or Associate Degree in HVAC, Industrial Maintenance, Automotive Maintenance, or Electrical Automation Technology
- Appropriate refrigeration certifications and skills are preferred
- Must be able to work independently, and have good customer communication skills
- Clean driving record
