

Upcoming Hydraulic Training

Enroll now!

JHF is offering two separate hydraulic seminars! The first class covers fundamentals and the second focuses on Components:

Registration Information

Day One Seminar

Basic Hydraulics

Wednesday, November 6, 2019

\$250.00

9:00 am - 5:00 pm

Prerequisite: None

This JHF training course will teach you:

- Basic Physics and Terminology
- Transfer of Energy
- Anatomy of a Cylinder
- Cylinder Force and Speed
- Pressure and Flow Generation
- Heat Generation
- Pump Basics
- Hydraulic Symbolology
- Basic Schematics
- Filtration and Contamination Control

Day Two Seminar (NEW!)

Advanced Hydraulics (Components and their Functions)

Wednesday, November 13, 2019

\$250.00

9:00 am - 5:00 pm

Prerequisite: Basic Hydraulics

Basics of valve spool configurations and how best to apply them:

- Pumps
 - Fixed (Gear, Vane, Piston)
 - Variable (Vane, Piston)
 - Transmissions (Closed Loop)
- Directional Valves
 - Solenoid Operated
 - Solenoid/Pilot Operated
- Pressure Controls

Day 1

11 / 6 / 2019

\$250.00

Day 2

11 / 13 / 2019

\$250.00

9:00 am - 5:00 pm

Breakfast available at 8:30 am

Cost includes take home training manual, breakfast and lunch.

Location

Oasis Hotel & Convention Center

2546 N. Glenstone Ave

Springfield, MO 65803
