To more easily run your business, service needs to go beyond just a phone call for repairs or maintenance.

Unmatched Expertise

- Over 215 dedicated employee-owners
- More than a century of combined design, electrical and hydraulic engineering expertise
- 30 local, knowledgeable field sales experts

- 26 Factory-trained field-service technicians with stocked vans and local warehouses
- Focused Industrial Product Managers and Specialists
- Shared commitment to excellence – ESOP

Custom Engineering & System Integration

Over 100 years of design, electrical and hydraulic engineering expertise working to meet your specifications.

Value Added Manufacturing

Cut waste and increase your productivity. We'll stock, assemble and get your components ready for production.

Vendor Managed Inventory

We'll keep your shelves stocked with crucial components you need...and none that you don't.

In-Shop Repair & Field Service

With the largest service department in the Midwest and 24/7 support, our factory-trained, certified technicians will keep your equipment operating at peak performance.

Convenient, On-Site Retail Store

In the area? Stop in and see our resident expert, Bill, for all your immediate parts needs.

Efficiency Assessments & Sustainment

Work with our experts to eliminate waste & maximize efficiency in your production processes, increasing your profitability.

Dependable & Available High Quality Products

- Industry-respected Manufacturers
- Over \$17 million of critical parts, stocked
- (Including up to 200 hp compressors and up to 1000 cfm dryers)
- On-site retail store for convenience
- 24/7 Emergency Support

Cutting Edge Facility & Technology

- 100,000 square foot facility
- On-site Retail Store
- 7-stall shipping & receiving dock
- Tuxco Hydraulic cylinder repair machine
- Custom Hydraulic Test Stands
- (2) 5-ton Cranes
- 575 square foot paint booth
- Latest AutoCAD software
- On-site ASME certified welder

Superior Service & Reliability

- Compressed Air Service (All Brands)
- Compressed Air Assessments/System Audits
- In-Field Hydraulic Service
- In-Shop Hydraulic Repair
- Value Added Services
- Vendor Managed Inventory
- Tool & Hoist Repair (All Brands)
- Preventative Maintenance Programs
- Rental & Lease Programs
- 24/7 Emergency Service & Support

Employee Stock Ownership Plan

Because our employees own the company, they have a vested interest in our success. They also know that our success is dependent on the success of our customers.
